DEBARMENT AND SUSPENSION REQUIREMENTS:

A. Lobbying Certification - Paragraph n

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification - Paragraph o

1. By signing and executing this Agreement, the Subrecipient is providing the certification set out in paragraph (o).
2. The certification set out in paragraph (o) is a material representation of fact upon which reliance is placed when the City awards the grant. If it is later determined that the Subrecipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act OF 1988 [42 USC 701], as set forth at 24 CFR Part 21.
3. Workplaces under this Agreement shall be identified in this Agreement. Failure to identify all known workplaces constitutes a violation of the Subrecipient's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place.
5. If the workplace identified to the City changes during the performance of the grant, the Subrecipient shall inform the City of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. Definitions of terms in the Drug-Free Workplace common rule apply to this certification. Subrecipient's attention is called, in particular, to the following definitions from these rules:

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a Subrecipient directly engaged in the performance of work under a grant provided through this Agreement, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are not on the Subrecipient's payroll. This definition does not include workers not on the payroll of

the Subrecipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Subrecipient's payroll; or employees of Subrecipients or subcontractors in covered workplaces).

7. Subrecipients shall comply with the government-wide non-procurement debarment and suspension requirements in 2 CFR Part 2424.
