**Please Provide A Summary of Your Request, Including Background Information to Explain the Request:**

This would authorize Task Order 005 under the Master Services Agreement with Arcadis to perform the following:

The City of Dalton Public Works Department has requested that Arcadis prepare this proposal to provide engineering analysis and support to address known flooding issues in the vicinity of 631 N. Glenwood Avenue, south of the intersection with East Matilda Street. Some nearby properties have experienced flooding in the past and the property owners have requested that the City of Dalton (city) identify potential improvements that could reduce the severity / frequency of flooding on the subject properties, and in the general location. The following scope of work has been developed to assist with the first phase of a potential project to implement drainage improvements within the drainage basin.

Scope of Work for this Task Order includes:

Task 1 – Existing Conditions Analysis; Task 2 – Alternatives Analysis; Task 3 – Report

See attached Task Order for additional information about the scope of the project.
