The DWCDC is requesting documentation that our ESG application aligns with goals outlined in the City's consolidated plan.

Street Outreach funds a staff member who works with unsheltered homeless to assist them with locating housing. She also administers our Rapid Rehousing Program- which seeks to move area homeless into housing they can maintain on their own after a brief subsidy. The Supportive Services grant provides funding for our Shelter Plus Care case manager. SPC is a permanent housing option for adults who are disabled and homeless. We currently have 40 SPC units in operation in the City.
