

STAFF ANALYSIS
TEXT AMENDMENTS FOR
UNIFIED ZONING ORDINANCE

January 2019

(Referencing the attached spreadsheets for details)

The Unified Zoning Ordinance was adopted by Dalton, Varnell, and Whitfield County in July and August of 2015. Since that time the staff, who works to administer the Ordinance on a daily basis, identified needed corrections or clarifications, and identified oversights, all for the purpose of improving the context and readability of the zoning text.

The resulting text changes, as proposed, are listed in a spreadsheet (attached) that identifies the current text or current zoning, then proposes the corrected text or new zoning. The legal advertisement ran on Friday, January 11, 2019; copies of the proposed amendments were made available to the public in the Office of the Whitfield County Board of Commissioners, and in the Clerk's Office at Varnell City Hall.

Proposed Text Amendments: The proposed text amendments are numbered in sequence with the affected Section or passage identified in the third column. The spreadsheet also shows you the current language of the ordinance (column 4), then provides the proposed language in the last column to the right. For the staff, the proposed amendments are considered clean-up and clarification of past ordinances in the new format of the Unified Zoning Ordinance. It remains possible that more amendments may be found and a new list will be started by the staff as we move forward with administration. Maintaining an effective ordinance is part of the process.

Just as a note, the advertisement and the availability of the proposed amendments for public review is part of the process. Simultaneously, consideration of additions all the way through the public hearing is possible. If a citizen presents a proposed change at the public hearing, then consideration of that proposal, yea or nay, is part of the process. Any such additions will be highlighted and the paperwork following the public hearing will be thorough in identifying the proposed amendments in their final form in readiness for final action by each government participating in the Unified Zoning Ordinance.

Staff Recommendation: The proposed text amendments are recommended for adoption to modify the ordinance text in order to create greater interjurisdictional consistency.
