Chairman Bill Weaver

Public Safety Commission

Greetings,

I am making a recommendation for the promotion of Lieutenant Damion Epps to the rank of captain. This promotion will fill the vacancy left by the promotion of Captain Alan Ridley. Lieutenant Epps has met the required pre-requisites set forth for captain.

Lieutenant Epps was employed with Dalton Fire Department in March 1999. Since that time he has progressed through the ranks within the department. He has been serving as a lieutenant on B shift since November 2007. During his tenure with the department he has attended numerous classes on tactics, leadership, and management. He has also participated as a member of the Georgia Search and Rescue, and he is a car seat technician instructor. Lieutenant Epps is an emergency medical technician, as well as a basic life support instructor. He currently serves the department as a fire investigator- arson level 2. During his time as a lieutenant he has, on numerous occasions, filled in both as captain and shift commander in their absence.

I would appreciate your support in recognizing Lieutenant Damion Epps with a promotion to the rank of captain.

Thank you all for your consideration.

Todd Pangle

Chief
