**Please Provide A Summary of Your Request, Including Background Information to Explain the Request:**

This request is to approve the Professional Services Agreement with Goodwyn Mills Cawood (GMC) for design services for the Dug Gap Connector Road. A full civil site design package will be required to let this project to construction. The scope of the project includes providing surveying, permitting, new underground utility infrastructure, and associated design services to create a new streetscape two land road. See Attachment B for project map location.

The civil site design package will be completed by GMC at a cost not to exceed \$470,800.00. Please note that the Construction Inspection Fee and the Materials Testing Fee included in this proposal will not be accepted at this time.

The Finance Department will create a charge account to fund this project.
