Our representatives are trained to handle elevator calls and they can assess the situation and quickly dispatch a technician when necessary. If needed, they can stay on the line to reassure a stranded passenger that help is on the way. ThyssenKrupp Communications maintains digital recordings and computerized records of the time, date, and location of calls received and action taken for the benefit of passengers and building owners. Special considerations regarding ThyssenKrupp Communications are set forth below.

Through its centralized ThyssenKrupp Communications call center, ThyssenKrupp Elevator will provide 7 days per week, 24 hours per day, 365 days per year dispatching service for calls placed by Purchaser after normal business working days and hours to the local ThyssenKrupp Elevator branch office and telephone monitoring on all elevator(s) maintained under this Agreement that have operational telephone equipment capable of placing a call to that call center. Depending on the nature of the call and circumstances, ThyssenKrupp Elevator's operators can call one or more of the following: Purchaser's Designated Contacts set forth in Section 2 below; Local Emergency Services at phone numbers provided by Purchaser in Section 3 below; and/or a local ThyssenKrupp Elevator service technician to be dispatched to the location of the equipment.

Purchaser hereby acknowledges that as a condition precedent to ThyssenKrupp Elevator's placement of calls to Purchaser's Designated Contacts and any Local Emergency Services under this Agreement, Purchaser must first complete Sections 1 and 2 below. Purchaser further acknowledges that it is Purchaser's sole responsibility to advise ThyssenKrupp Elevator immediately in writing of any changes to the information contained in those two (2) sections during the term of this Agreement. Purchaser acknowledges that no revision to that information will be made without ThyssenKrupp Elevator first receiving such request in writing from Purchaser's authorized representative.

Under those circumstances where ThyssenKrupp Elevator is unable to reach Purchaser's Designated Contacts set forth in Section 2 below, Purchaser hereby gives ThyssenKrupp Elevator express permission to dispatch a ThyssenKrupp Elevator service technician to the location of the equipment at Purchaser's expense in accordance with ThyssenKrupp Elevator's applicable billing rates. Purchaser further agrees that ThyssenKrupp Elevator does not assume any duty or responsibility to advise any caller, regardless of his or her location within or outside the elevator, to take or not take any specific action resulting from a medical or other emergency or any other situation including, but not limited to, entrapment of persons, evacuation, repair or return to service of any equipment.

In the event that a ThyssenKrupp Elevator call center operator perceives that a call from within the elevator constitutes a medical or other emergency, Purchaser hereby gives ThyssenKrupp Elevator the express permission to call Local Emergency Services at the telephone numbers provided by the Purchaser in Section 3 below at ThyssenKrupp Elevator's sole discretion. Under those circumstances, Purchaser agrees to pay all related charges for services provided by any Local Emergency Services in response to that call. Purchaser agrees that ThyssenKrupp Elevator shall not be responsible for ensuring an appropriate (or any) response by Local Emergency Services to that call.

None of the services described anywhere in this Agreement includes maintenance of any type or kind of the Purchaser's telephone or other communication equipment.
