

# Certificate of Promotion

## DEPUTY FIRE CHIEF

March 18, 2025

Greetings,

I would like to present Division Chief Keith Dempsey for recognition following his promotion to the rank of Deputy Fire Chief. Keith has met all required prerequisites set forth for this promotion.

Keith has been employed with the City of Dalton Fire Department since August 2003. Keith was reassigned to the Training Division as Training Instructor in June 2005, and promoted to Training Division Coordinator in July 2017. Keith was again promoted to Division Chief in 2021 and has consistently shown his ability to lead while moving the training division forward according to the vision of the department.

Keith has compiled an impressive training profile. He has several notable accomplishments in his resume which includes a Master's Degree in Fire and Emergency Management Administration through Oklahoma State University, Executive Fire Officer Designation through National Fire Academy, and he has completed the NPQ Fire Officer IV certification. Keith is also a graduate of the Flames program.

I would appreciate your support in recognizing the promotion of Division Chief Dempsey to the rank of Deputy Fire Chief.

Thank you all for your consideration.

A handwritten signature in black ink, appearing to read "Matt Daniel".

Matt Daniel  
Fire Chief
