Public Safety Commission

Greetings,

I am making a recommendation for the promotion of FFII Katelen Farmer to the rank of engineer. This promotion will fill the vacancy left by the retirement of Chris Ault. Kaetelen has met the required pre-requisites set forth for the rank of engineer.

Katelen was employed with Dalton Fire Department in February 2006. Since joining our department, she has worked diligently educating herself in the various disciplines of our profession. She has been filling the role of a fill-in operator/driver for several years, and has gained valuable knowledge over that time. She has displayed a high level of competence as an engineer while filling this role. I have received several reports from officers concerning her proficiency as a driver and all the knowledge required to fulfil the position.

I would appreciate your support in recognizing FFII Katelen Farmer with a promotion to the rank of engineer.

Thank you all for your consideration.

Todd Pangle
Chief
