Please Provide A Summary of Your Request, Including Background Information to Explain the Request:

The following temporary construction easements are required to complete work for the off right-of-way Stormwater improvements within the Walnut North Drainage Improvements Project as proposed by Arcadis's Improvement Scenario Memo dated October 25th 2021.

The Public Works Committee provides a positive recommendation for this service to move forward. This work is deemed necessary to increase the level of service of existing drainage infrastructure of which conveys large quantities of runoff originating from City owned property.
