

## DALTON-WHITFIELD ZONING

August 26, 2020

To Whom It May Concern:

This letter is provided at the request of the Dalton Public Works Director regarding the right-of-way taking of property at the east terminus of New Doris Street. Specifically, the 1,093 square feet of right-of-way taking of Tax Parcel 12-255-03-036 will have no effect on the M-2, Heavy Manufacturing zoning of the parcel. Additionally, the property will be allowed to continue as a legal non-conforming use with respect to building setbacks for the existing structures.

If there are any further questions regarding this matter, please feel free to contact me at [jgarland@whitfieldcountyga.com](mailto:jgarland@whitfieldcountyga.com) or (706) 876-2533.

Sincerely,

A handwritten signature in black ink, appearing to read "Jean Price-Garland".
