RE: 5th ST SE – HWY 22 to 6th AVE SE Project – City Commission Letter of Support

The City of Dickinson is in support of the North Dakota Department of Water Resources (DWR) grant application regarding the 5th St. SE – HWY 22 to 6th Ave. SE Project; City of Dickinson project number 202417. The project is anticipated to extend approximately 670-lineal feet of new 8-inch PVC watermain. By extending the infrastructure to connect to 6th Ave. SE, it is our goal to promote new development in the area and to loop our existing watermain infrastructure.

The City of Dickinson appreciates the opportunity to apply for the municipal water supply grant through the DWR. The grant will allow the City to provide safe and adequate drinking water to our citizens for years to come.

Thank you,

Scott Decker
Mayor
