For your consideration is letter of support for the North Dakota Department of Water Resources (DWR) grant application to authorized the City of Dickinson to submit the project grant application. One of the scopes of work for the project is to extend the watermain approximately 670 feet to loop the system to the existing watermain in 6<sup>th</sup> Ave. SE. The project is included on the 2025-2027 DWR Water Development Plan which increases the probability of successfully being awarded the grant. The municipal water supply cost share maximum is 60% from the DWR, and 40% from the City of Dickinson. It is the goal of the project to promote new development in the area, and to loop the existing watermain infrastructure.
