## STAFF ANALYSIS

### BACKGROUND

At the request of City officials, the Community Development Department began researching how different North Dakota communities define personal, commercial, recreational, and heavy vehicles, as well as how those definitions compare to those found in the North Dakota Century Code.

### COMPATIBILITY, COMPLIANCE, AND RECOMMENDATIONS

#### Compatibility with the Municipal Code

Heavy commercial vehicles are referred to in Section 62-471: Accessory uses, in reference to the parking and storage of heavy commercial vehicles for home-based occupations. As heavy commercial vehicles are not defined in the Municipal Code, this amendment updates the language to reference heavy vehicles.

Section 62-594(a)(5) states that *"Commercial vehicles and heavy vehicles shall not be parked on any lot within the R-1, R-2, R-3, and MH Districts. This section shall apply even if the commercial vehicle or heavy vehicle is not being driven for the purpose of the commercial application, endeavor or business at the time said vehicle is parked within the aforementioned zoning districts."* In the past, there has been confusion from residents about what constitutes a commercial vehicle and where these vehicles can be parked and stored.
