Re: Tobacco Compliance Check
927 West Villard Street; Dickinson, ND 58601

To Whom it May Concern:

I write to you on behalf of the City of Dickinson. I am writing in regard to a recently conducted city wide unannounced compliance survey of retail tobacco outlets in Dickinson. Southwest District Health Unit has informed me that your outlet failed its compliance check on December 22, 2025. According to records given to me by the Southwest District Health Unit, this is your establishment's third violation in the last 24 months. (3) Third Offense. In the event of a third violation within a 24-month period by the licensee, its agent or employee, of this article or Chapter 22C, Article II, the City shall assess against the licensee an administrative fine in the amount of \$2,000.00. The City shall further suspend the licensee's license and authority to sell tobacco products for no less than four days or revocation of license.

The City of Dickinson has decided to suspend your sale of tobacco products on February 13, 2026, February 14, 2026, February 15, 2026 and February 16, 2026.

The deadline for the payment of the fine of \$2,000 will be expected by City of Dickinson no later than February 13, 2026.

Sincerely,

Dustin Dassinger
City Administrator
