Public	September 20, 2023	Planning and Zoning Commission
Hearings:	October 3, 2023	City Commission

EXECUTIVE SUMMARY

To consider a Minor Plat for the CenterPointe Subdivision being a re-plat of Lot 6B, Block 3 of West Ridge 1st Addition in the S ½ of Section 31, Township 140N, Range 96W. The site consists of +/- 4.35 acres. The subject parcel is zoned General Commercial (GC).

REQUEST

- A. Request:** The applicant seeks approval of a minor plat of the subject property. The proposed land use for the subject parcel is defined as a *General and Limited Retail Services*, per Section 39.03.007 Commercial Use Types, and is permitted within the General Commercial zoning district.
- B. Location/Legal Description/Area:** The proposed two-lot subdivision is generally located along Legend Drive, approximately 500 feet east of 38th Ave W. It is legally described as Lots 1-2, Block 1 of the Replat of Parcel 6B of Lot 6, Block 3, West Ridge 1st Addition

ZONING	GC
FUTURE LAND USE MAP DESIGNATION	Commercial
GROSS SITE ACREAGE	4.35 acres
LOTS PROPOSED	2

CURRENT ADJACENT LAND USE/ZONING		
Direction	Zoning	Land Use
North	GC & P	Undeveloped
East	GC	Lodging
South	I-94 Interstate ROW	Federal Highway
West	GC	Undeveloped

Context:

Background: The property owner wants to sell the eastern portion of the existing Lot 6B, Block 3 of the West Ridge 1st Addition Subdivision. As Lot 6B was originally created through the administrative lot split process as found in Chapter 34 of the Municipal Code Subdivision of Land, additional division of Lot 6B requires approval of a minor subdivision plat. Therefore, this minor subdivision is required because the lot was previously split.

STAFF REVIEW AND RECOMMENDATIONS

- **Compatibility with Local Uses:** The proposed “tire center” use will be compatible with the existing uses within the immediate vicinity. This parcel is located within a previously planned yet relatively undeveloped area. Approval of this application furthers fulfillment of previously adopted plans.
- **Compliance with Zoning and Subdivision Regulations:** The proposed lot satisfies zoning requirements regarding minimum square footage per Section 39.04.005 of the municipal code. The proposed Preliminary/Final Plat satisfies all lot boundary requirements, current zoning requirements, and Minor Subdivision Plat requirements.

The minimum lot size in the GC zoning district is 12,000 square feet. Both proposed lots satisfy the minimum lot size of the GC zoning district. Both proposed lots satisfy the GC minimum lot width of 100 feet.

Public Input: As of the date of this report, City staff has not received any public comments.

Staff Recommendation: The City Development Team staff recommends **approval** of the minor plat application.
