Site Plan Provided Wall Section Detail

ALL permit applications must include a site plan. The site plan must include the location of property lines, easements, required setbacks, existing structures, and the proposed location of the accessory structure.

Once the application has been reviewed and processed we will contact you Building Permits must be picked up within 14 days of notification. Failure to pick up permit(s) will result in cancelation of the permit(s). Cancelation or failure to pay may result in the property being charged or assessed all applicable fees.

I hereby certify that I have read and examined this application and know the same to be true and correct. I hereby certify that I have been authorized by the owner to act as his agent in applying for and obtaining this permit. All provisions of laws and ordinances governing this type of work will be complied with, whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I further apply for a Building Permit and acknowledge that the information above is complete and accurate and this application is not a permit and all work will be performed in accordance with the conditions of the permit, the approved plans and specifications, and the North Dakota State Building Code. I will also allow work to remain accessible and exposed for inspection purposes. Furthermore, I grant City Staff access onto the subject property
