Community Development staff is requesting approval of zoning text amendments to Section 62-133 – Commercial use types, Table 62-162-2. Permitted Uses by Zoning Districts in Section 62-162 – Development Regulations, and Section 62-469 – Commercial uses, in Chapter 62-Zoning of the Dickinson Municipal Code, to permit and license short-term rental uses in the Rural Residential (RR), Low Density Residential (R-1), Medium Density Residential (R-2), High Density Residential (R-3), Mobile Home (MH) and Downtown Commercial (DC) zoning districts. This proposed amendment also establishes a licensing process for short-term rental uses in resident-owned homes that are residential in appearance.

Staff recommendation: Staff recommends approval of this text amendment.

STAFF ANALYSIS

BACKGROUND

The North Dakota Department of Health & Human Services defines Lodging as *“every building or structure that is held out to the public as a place where sleeping accommodations are furnished to transient guests for a charge; does not include single structures with five or fewer guest rooms and ten or fewer total occupants, a series or group of buildings or structures containing five or fewer guest rooms and ten or fewer total occupants,”* and requires the owner to apply for a license through the Community Development department. The short-term rental use has fewer than five guest rooms and therefore would not meet the definition, meaning regulations for short-term rental uses are determined by localities.

As part of the process of developing these proposed amendments, staff reviewed short-term rental requirements adopted by local governments in North Dakota, South Dakota, and Montana. Workshops on this topic were held at the October 8, 2025 and December 10, 2025 City Planning and Zoning Commission meetings. This zoning text amendment addresses the feedback received from the two workshop meetings.

COMPATIBILITY, COMPLIANCE, AND RECOMMENDATIONS

Compatibility with the Municipal Code

The Dickinson Municipal Code does not currently have the Short-term Rental use defined as a commercial use. According to Section 62-7: Prohibited land uses, *“Any land use not described in this chapter shall be prohibited, unless expressly permitted or allowed as a special use.”* In order to be permitted, the Short-term Rental use must be defined within the Municipal Code and must be either expressly permitted or allowed with a Special Use Permit in a residential zoning district.
