May 1st 2025

RE: May 6th Commission Meeting

BRAUN INTERTEC CONTRACT – MATERIAL TESTING – 2025 WATERMAIN REPLACEMENT

For your consideration is contract amendment with Braun Intertec to provide material testing for the 2025 Watermain Replacement, 202503. The contract includes soils, concrete, and paving related testing and services as well as project consulting and reporting.

The testing is necessary to ensure the project is in compliance with design specifications and applicable ASTM & industry standards.

The amendment will be for \$81,470 on a T&M basis. This work will be funded through Dept. of Water Resources Cost Share, SRF Loans, and GPT.

The City Attorney has reviewed this contract amendment.

The City Engineering staff recommends approval.
