<b>Public Hearing</b>	December 11, 2024	Planning and Zoning Commission
<b>Public Hearing</b>	December 17, 2024	City Commission
<b>Final Consideration</b>	January 7, 2025	City Commission

The applicant is requesting the approval of a zoning map amendment from Rural Residential (RR) to Low-Density Residential (R-1) for the south 207.04 feet of Lot 9 in Block 1 of the Southfork Acres Second Subdivision, located in the City of Dickinson’s Extra-Territorial Zone (ETZ). The purpose of this rezoning is to match the zoning district of the portion of the block adjacent to Lots 1 & 2 of Block 2 of the Decker Third Subdivision in order to combine the lots through a minor subdivision plat.

A companion minor subdivision plat application for the Meduna 1<sup>st</sup> Subdivision is also scheduled for a public hearing at the December 11, 2024 Planning and Zoning Commission meeting (FLP-020-2024).

Staff recommendation: Approval contingent on approval of the associated Meduna 1<sup>st</sup> Subdivision (FLP-020-2024).

## COMPATIBILITY, COMPLIANCE, AND RECOMMENDATIONS

### Compatibility with the Comprehensive Plan

According to the City's Comprehensive Plan Future Land Use Map (FLUM), the subject property and area immediately surrounding Lot 9 of Block 1 of the Southfork Acres Second Addition Subdivision is designated RESIDENTIAL. This zoning map amendment request is consistent with this FLUM designation.

### Compliance with The Zoning Ordinance

The proposed Meduna 1<sup>st</sup> Subdivision, if approved, would have created a platted lot with split zoning. The eastern portion of Lot 1 in Block 1 of the proposed Meduna 1<sup>st</sup> Subdivision would have been zoned RR while the western portion would have been zoned R-1. Section 39.04.003 of the Municipal Code states that each lot or site in the City's planning jurisdiction must be in one base district. Approval of this zoning map amendment request ensures that lot will contain only one zoning district.

According to Section 39.04.005, the minimum lot size for an R-1 zoned property is 7,500 square feet. The combined area of the property proposed for rezoning is 1.3 acres. This exceeds the R-1 minimum square footage requirement.

**Public Input:** As of the date of this report, City staff has not received any public comments.
