

ENGINEERING MEMORANDUM

August 9, 2023

RE: August 15th Commission Meeting

NDDOT Cost Participation and Maintenance Agreement for I-94 East Business Route Micro Surfacing

For your consideration is a contract with the North Dakota Department of Transportation (NDDOT) to perform micro surfacing for the Interstate 94 (I-94) East Business Route from 10th Ave. East to the I-94 interchange. The project is scheduled to be executed in 2024 and is estimated total installed cost (TIC) is 710,415. The City of Dickinson cost participation is 10% of the TIC because the route is classified as a minor arterial with the Federal Highway Administration. The micro surfacing is intended to extend the life of the pavement by sealing the surface, and the micro surfacing will provide additional friction for the roadway surface. The proposed funding for this project is Gross Production Tax.

The City of Dickinson Commission approved the preliminary engineering reimbursement agreement for the I-94 East Business Route micro surfacing project at the November 15, 2022 City Commission meeting. At that time, the project TIC was estimated at \$1,000,000.

The city engineering staff recommends approval
