Transportation Contract with Tracker Management

The contract is an agreement between Tracker Management from New Prague, MN and the City of Dickinson to transport single stream recycle materials to Dem-Con Materials Recovery in Shakopee, MN. This is a 3-year contract (October 1, 2024 – September 30, 2027) that follows the original contract. Cost per trip is \$2,275.00 plus fuel surcharge based on the EIA rates. Attorney Wenko has reviewed the contract and City Staff recommends approval.
