STAFF ANALYSIS

CURRENT ORDINANCE REVIEW

According to Section 39.04 of the Municipal Code, the minimum AG lot size is five acres. This proposed lot meets that requirement and therefore would be legally conforming. Additionally, Table 4-2: Permitted Uses by Zoning Districts, permits the construction of a primary residence in AG-zoned districts.

According to Section 34.030 of the Municipal Code, a minor subdivision shall meet the following criteria:

- Does not require the dedication of public rights-of-way or the construction of new public streets or public infrastructure; and
- Does not land-lock or otherwise impair convenient ingress and egress to or from the rear side of the subject tract or any adjacent property; and
- Does not violate any local, state, or federally-adopted law, ordinance, regulation, plan or policy; and
- Consists of four lots or less.

Staff finds the proposed Caden and Holly Tuhy Subdivision meets those criteria.
