

## Engineering Memorandum

September 30, 2026

RE: October 6<sup>th</sup> Commission Meeting

### **202612 – 10<sup>TH</sup> AVE E STORM SEWER PROJECT TASK ORDER AWARD TO INTERSTATE ENGINEERING**

For your consideration is a task order with Interstate Engineering to perform engineering services for the City of Dickinson Project Number 202612, the 10<sup>th</sup> Avenue East Storm Sewer project for a time and materials fee as specified in the task order of **\$144,874.00**. This task order is in reference to the proposal received through a request for proposal where five proposals were received. Interstate Engineering scored the highest score based on their proposal and interview for the project. The City Attorney has reviewed this task order with no comments.

The scope of work included in this task order are; field data collection and survey, existing conditions hydrologic and hydraulic modeling, downstream capacity evaluation, alternatives analysis, and a summary of findings report.

Once this task order scope of work is complete, Interstate Engineering will work with the Engineering and Public Works staff to determine the best possible alternative to then mature through bid readiness.

The project was included on the 2026 and 2027 Capital Improvement Plan budgets utilizing the Gross Production Tax to pay for the project.

The City Engineering and Public Works staff recommends approval.
