Public Hearing	February 21, 2024	Planning and Zoning Commission
Public Reading	March 13, 2024	Planning and Zoning Commission
Final Consideration	March 19, 2024	City Commission

The City of Dickinson seeks to plat the second phase of the Dickinson South Cemetery Second Subdivision which is located adjacent to the east of the Dickinson South Cemetery which was platted in 2000 and included 8 blocks, 7 lots per block, and 8 plots per lot. The Dickinson South Cemetery Second Subdivision will add 24 blocks, 5 lots per block, and 20 plots per lot. The plot sizes and layout for the drive isles matches what was platted for the Dickinson South Cemetery. The application is defined as a major plat subdivision because it consists of more than four lots as per Article 34-Subdivision of Land of the City of Dickinson municipal code; 34.030 Definitions. The drive isles for the Dickinson South Cemetery were constructed during the 2023 construction season, and the City of Dickinson recently began selling plots for the cemetery.

This is a request for approval of a final plat of the Dickinson South Cemetery Second Subdivision. On February 21, 2024, the City of Dickinson Planning and Zoning Commission recommended approval of the preliminary plat (PLP-002-2024).
