**** Tariff Statement ****

The prices quoted or agreed upon by General Steel and Supply Company include standard duties and customs fees in effect at the time of quotation. However, if new or increased tariffs (including, but not limited to sudden, provisional, or emergency tariffs) duties, or similar charges are imposed after the date of quotation or sale confirmation, General Steel and Supply Company reserves the right to pass some or all of these additional costs on to the customer. The customer agrees to pay these additional charges within 30 days of receiving an invoice or written notice from General Steel and Supply Company. Failure to pay may result in the suspension of shipments, cancellation of open orders, or any other remedies available to General Steel and Supply Company under these Terms and Conditions or applicable law.
