TASK ORDER NO. 2

Bartlett & West Project No.

This Task Order No. 2 is issued relative to and in accordance with the Master Agreement (hereafter referred to as the “Agreement”) for Professional Services between the City of Dickinson (“Client”) and Bartlett & West, Inc. (“Consultant”) as dated October 15, 2025 and as further modified herein.

The Provisions of this Task are as follows:

- A. Definitions and Rules of Interpretation. For purposes of this Task Order, definitions and rules of interpretation as outlined within the Agreement, or within preceding Task Orders, shall apply unless exception or redefinition to any previously provided terms are expressly noted by this Task Order.
- B. Scope of Work. Consultant shall perform services under the Task Order for the purpose of preparing a Pipeline Feasibility Study for a proposed Reuse Water Pipeline from the Dickinson Wastewater Reclamation Facility (WRF) to an industrial user in Richardton, North Dakota, (GEVO) and for a wastewater force main in the same trench to take wastewater from GEVO back to the WRF. See Attachment A for the detailed Scope of Work.
- C. Time of Performance for Services. The draft Feasibility Study will be completed by the end of September 2026 with the final Study to be completed by the end of October 2026.
- D. Compensation for Services. The services contained in this Task Order shall be performed for the lump sum fee of \$200,000.
- E. Client’s Responsibilities. Client’s responsibilities in the completion of this Task Order are as follows:
 - 1. Provide information related to the existing WRF and industrial user including but not limited to the following:
 - i. Existing utility maps
 - ii. GIS data
 - iii. Record drawings
 - iv. Parcel information
 - v. Flow or demand data
 - vi. Existing system operational data
 - vii. Known easement or right-of-way data
 - viii. Relevant correspondence with agencies
 - ix. Any known project constraints
- F. Special Items. Special items relative to this Task Order are as follows:
 - 1. Consultant and Client agree that the Agreement and this Task Order may be changed by mutual written consent of both Consultant and Client.
- G. Authorization Acknowledgement and Acceptance: All services herein offered are subject to the terms of the Agreement, unless otherwise specifically provided for herein. Signature hereto by both Parties constitutes an offer by Consultant to perform such services listed herein and an authorization by Client for Consultant to proceed with the services.
