

## PUBLIC WORKS

RE: Bid Opening for Frontload Refuse Collection Truck

Opened on March 17, 2025 at 10:30 A.M. MDT

Present at the opening were: Aaron Praus, Josh Olheiser, Rachel Shumaker, Daniel Locke

One bid was received from Northland Truck Sales. Total cost \$385,650.00; less trade for unit R-53 Frontload Truck for \$62,500.00 and unit R-6 Rearload truck for \$25,000.00; Final cost \$298,150.00

Public Works city staff recommends purchasing the 2025 Peterbilt 520 chassis with a New Way body bid by Northland Truck Sales for a total cost price, after trades, of \$298,150.00. We are currently using other units in our fleet similar to this unit. This unit will replace a 2017 Peterbilt chassis with a New Way front-load body that has met the replacement schedule terms to maintain an efficient equipment fleet. This is a 2025 budgeted capital purchase for the amount of \$390,000 on a 5-year lease.

Thank you,
