**RE: 10<sup>th</sup> Ave. E – Museum Dr. to 21<sup>st</sup> ST E Project – City Commission Letter of Support**

The City of Dickinson is in support of the North Dakota Department of Water Resources (DWR) grant application regarding the 10<sup>th</sup> Ave. E – Museum Dr. to 21<sup>st</sup> ST E Project; City of Dickinson project number 202415. The project is anticipated to replace approximately 720-lineal feet of 14-inch Asbestos Cement watermain with new 14-inch PVC watermain. The Asbestos Cement watermain have been the second most frequent watermains to break within the City of Dickinson which is why this segment is a priority for the project.

The City of Dickinson appreciates the opportunity to apply for the municipal water supply grant through the DWR. The grant will allow the City to provide safe and adequate drinking water to our citizens for years to come.

Thank you,

Scott Decker  
Mayor
