Bismarck, ND 58506-5511

RE: Local Match Letter

Dear Mr. Messner,

As part of the Building Resilient Infrastructure and Communities (BRIC) Program, a local funding match is required. This letter serves as the city of Dickinson, North Dakota's commitment to meet the local matching fund requirements for the **City of Dickinson, North Dakota, Fairway St./State Avenue/8<sup>th</sup> Avenue West Stormwater Drainage Basin Retrofits/Upgrades Study** BRIC Application. The local matching fund requirement will be provided by the city of Dickinson, North Dakota. Further, all matching requirements set forth in 2 CFR Part 200.306 will be adhered to. No seed funding from another federal entity will be utilized for the local match/cost share of this project.

Per the Federal Emergency Management Agency's requirement, the maximum federal grant award under BRIC is 75 percent of the total project cost in the grant application, which is \$350,727.27, resulting in a local federal cost share not to exceed \$263,045.45. The local cost share would, at a minimum, be \$87,681.82, for this scoping-based grant application.

Your assistance is greatly appreciated.

Sincerely,

Scott Decker  
Mayor
