

Commission Agenda Memo (Waste Handler Wheel Loader bid)

The City of Dickinson Solid Waste/Recycling Division received 4 bids for the purchase of one (1) Waste Handler Wheel Loader. It is the recommendation of Public Works city staff to purchase the 962 Caterpillar Loader from Butler Machinery for a total cost with trade-in of \$319,900. Variations and exceptions to the bids are attached. The City of Dickinson will be replacing a 2016 Caterpillar 950M Loader that it is currently utilized in the waste handling processes at the landfill. This is a 2025 budgeted equipment purchase of \$400,000 on a 5-year lease.
