Subject: Sponsorship Recommendation for the Summit on Behavioral Health in Oil Country.

Commissioners,

I am recommending that we continue our sponsorship for the Summit on Behavioral Health in Oil Country, which will take place in Dickinson on June 18-19, 2025. Our sponsorship at the "Champion Sponsorship Level" - \$5,000 is consistent with our commitment last year and aligns with our ongoing support for behavioral health initiatives in the region.

Thank You,
