

# Article 20.08 Code Updates

Presented by: Christina M. Wenko & Leonard Schwindt

Consideration to Approve

- Amends and Re-acts Article 20.08 to include a specific reference to height of weed or plant growth
- Information currently found in International Property Maintenance Code, which is adopted by the Municipal Code
- Change will make it easier for citizens to locate this information

#### **20.08.01      Weeds generally**

Premises and exterior property shall be maintained free from weeds or plant growth in excess of ten (10) inches. Noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs, provided; however, this term shall not include cultivated flowers and gardens.
