

ADMINISTRATION MEMORANDUM

May 19, 2026

TO: Mayor and City Commissioners

RE: Authorized signers for CD and checking account at First International Bank & Trust

Attached for your review is a resolution to identify and designate who the signers are from the City of Dickinson when the new checking account and CD was opened in December 2025.

On December 16th, 2025, regular City Commission meeting, I presented a recommendation from the Finance Committee to invest money in First International Bank and Trust and open a checking account. This was approved by the Commission, but regrettably I did not include the designated signers of the accounts.

The resolution would designate; Scott Decker, Jason Fridrich, Dustin Dassinger and Linda Carlson as the authorized signers for the bank records.

Administrative staff recommends approval of this resolution.

Respectfully,

Linda Carlson
Deputy City Administrator
