RE: May 19th Commission Meeting

GEOTECHNICAL ENGINEERING CONTRACT TO BRAUN INTERTEC CORP.

For your consideration is a contract for Geotechnical Engineering with Braun Intertec Corp. for the following projects listed below. This contract is in reference to a proposal received through a request for proposal where two proposals were received. Braun Intertec Corp. scored the highest score based on their proposal for the projects. The City Attorney has reviewed this task order with no comments.

- Project 202701: 2027 ROAD MAINTENANCE
- Project 202703: 2027 WATERMAIN REPLACEMENT
- Project 202610: EMPIRE RD - 23rd AVE W to 8th AVE W
- Project 202611: FAIRWAY ST - 23rd AVE W to 13th AVE W

The scope of work included in the proposal will utilize ground penetrating radar (GPR) to provide more data of the existing street pavement sections and conditions where the mill and overlay is the desired street improvement approach. The GPR will provide more data than pavement cores and soil borings only, the cost of the GPR scope of work is less than the proposed pavement cores and soil borings.

The City Engineering staff recommends approval.
