

## Engineering Memorandum

May 28, 2026

RE: June 2<sup>nd</sup> Commission Meeting

### **10<sup>th</sup> AVE E. – MUSEUM DR. To 21<sup>st</sup> ST. E – NDDOT FLEX GRANT CONTRACT**

For your consideration is a grant contract with the North Dakota Department of Transportation (NDDOT) for the Flexible Transportation Fund Program for a maximum grant award amount **\$2,483,411.64**. The total for construction and construction engineering is estimated to be approximately \$5,500,000. The remainder of the project will be funded utilizing Gross Production Tax. The project scope of work includes a reconstruction of 10<sup>th</sup> Avenue East from Museum Drive/12<sup>th</sup> Street East from the existing rural corridor to an urbanized corridor that matches the existing roadway to the south of Museum Drive. The project is intended to be bid in the fall or early winter of 2026, and the construction is to be completed during the 2027 construction season. The City Attorney has reviewed the contract with no comments. The project is included in the 2027 capital improvement plan which will be presented to the City Commission at a work session later in June 2026.

The city engineering staff recommends approval.
