RE: December 17th Commission Meeting

FISHER INDUSTRIES ANNUAL OVERSIZED LOAD PERMIT

For your consideration is an annual oversized load agreement with Fisher Industries – Fisher Sand & Gravel. The annual fee for this permit is \$12,000. This Agreement allows oversized loads under 200,000 pounds to travel to and from I-94 exit 64, along the I-94 East Business Loop, and on Energy Drive to and from the Permittee's location on Energy Drive.

The City Engineering staff recommend approval.
