

ADMINISTRATION

December 17, 2024

We are requesting a change to Chapter 29, Equal Employment Opportunity and Harassment Policy, section 29.08.04040(1)-(2). City Commission requested that we have an employment lawyer review our harassment policy and make recommendations to update this policy. These changes are crucial to ensure the policy remains relevant to current legal standards and clearly communicates expectations to employees. Civil Service has reviewed and approved these changes. City Staff recommends approval.

HR Director Nameniuk
