Interest on the Bond (computed upon the basis of a 360-day year consisting of twelve months of 30 days each) and, upon presentation and surrender thereof to the Bank of North Dakota, as paying agent and registrar of the Bond, the principal thereof shall be payable in lawful money of the United States of America by check, wire, or other electronic transfer. SECTION 6. PREPARATION AND EXECUTION; FORM OF BOND. The Bond shall be printed under the supervision and at the direction of the City Administrator, executed by the manual or facsimile signature of the President of the Commission, sealed with a manual or facsimile of the City's official seal, if any, and attested to by the manual or facsimile signature of the City Administrator and delivered to the NDPFA at closing upon receipt of the purchase price plus any accrued interest. The Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under this Resolution until the Certificate of Authentication thereon shall have been executed by the Registrar by manual signature of one of its authorized representatives. The Bond shall be reproduced in substantially the form on file with the City Administrator.

SECTION 7. DEDICATION OF PLEDGED REVENUES. The City hereby dedicates and pledges for annual payment of the principal and interest on the Bond, the Pledged Revenues. The levy and collection of the Pledged Sales Tax and the dedication of such shall be irrevocable so long as any principal of or interest on the Bond remains outstanding and unpaid.

To the extent needed, the City hereby dedicates and pledges for payment of the principal and interest on the Bond, an amount of the GPT Revenues, together with any other legally available funds, equal to 110% of the average annual interest and principal requirements on the Bond and Parity Bonds. The GPT Revenues may be used by the City for any lawful purpose, including as a pledge and security for additional bonds payable from the GPT Revenues. Such dedication shall be irrevocable so long as any principal or interest on the Bond remains outstanding and unpaid.

SECTION 8. SECURITY. The Bond shall be a limited obligation of the City, and shall be payable solely from the Pledged Revenues, as provided by this Resolution and do not constitute a debt of the City within the meaning of any constitutional or statutory limitation. The Bond shall not be payable from nor charged upon any funds other than the revenue pledged to the payment thereof, nor shall the City be subject to any pecuniary liability thereon. The Bond shall not constitute a charge, lien, nor encumbrance, legal or equitable, upon any property of the City and no Bondholder shall ever have the right to compel any exercise of the taxing power of the City to pay the principal or interest on the Bond, other than the Pledged Revenues herein pledged to the payment of the Bond.

SECTION 9. DISPOSITION OF BOND PROCEEDS. The estimated \$1,591,000 proceeds derived from the sale of the Bond shall be deposited to the credit of the Construction Fund as advances are made pursuant to Section 2.02 of the Loan Agreement.

SECTION 10. BOND FUND. The City shall establish and maintain so long as the Bond is outstanding a separate fund to be designated the "Bond Fund." The Commission shall make the following deposits into the Bond Fund:

(a) Commencing on the first day of the month following the Date of Issue, and monthly thereafter the City will deposit into the Bond Fund Pledged Revenues in an amount equal to one-sixth (1/6) of the amount necessary to pay Bond interest and the Administrative Fee which will become due on the next interest payment date after crediting the amount of accrued interest and any earnings on the Bond Fund. Prepayment of monthly deposits will fulfill this requirement. Notwithstanding the foregoing, the City shall deposit into the Bond Fund from the Pledged Revenues an amount sufficient to permit all interest due on the Bond to be paid on the date it is due.

(b) Commencing on the first day of the month following the Date of Issue, and monthly thereafter, the City will deposit into the Bond Fund Pledged Revenues in an amount equal to one-twelfth (1/12) of the amount necessary to pay any Bond principal which will become due on the next principal payment date. Prepayment of monthly deposits will fulfill this requirement. Notwithstanding the foregoing, the City will deposit into the Bond Fund from the Pledged Revenues an amount sufficient to permit all principal due on the Bonds to be paid on the date it is due.

(c) On each principal and interest payment date, from funds on deposit in the Reserve Fund, such additional amounts, if any, as may be necessary to meet principal and interest payments then due.

Deposits required to be made pursuant to Sections 10(a) and 10(b) above are cumulative, and if the Pledged Revenues is not sufficient to credit the amount required in any month, an amount equal to the deficiency shall be credited from the next Pledged Revenues thereafter received. The moneys and investments in the Bond Fund are irrevocably pledged to and shall be used to the extent required for the payment of principal of and interest on the Bond when and as the same shall become due and payable and for that purpose only.

SECTION 11. RESERVE FUND. The City shall maintain a balance in the Reserve Fund at least equal to the Reserve Fund Requirement. If at any time the balance in the Reserve Fund is less than the Reserve Fund Requirement, the City will transfer Pledged Revenues to the Reserve Fund.

The City shall fund the Reserve Fund Requirement from Pledged Revenues in the amount of \$19,570 each September 1 commencing September 1, 2025, and on each September 1 thereafter with the final deposit made on September 1, 2029 totaling \$97,850. The Reserve Fund requirement is based upon total draws of \$1,591,000. In the event that the City draws less than \$1,591,000 the Reserve Fund Requirement shall be adjusted downward.

Moneys required to be maintained in the Reserve Fund will be used only to pay principal and interest on the Bond, and only in the event that the Pledged Revenues and moneys in the Bond Fund are insufficient to pay Bond principal, premium, if any, and interest when due; provided, however, that when the balances of the Bond Fund and the Reserve Fund equal an amount sufficient to redeem or pay at maturity all outstanding Bond, together with interest thereon and premium, if any, said balances may be applied to such redemption or payment at maturity, as the case may be, whether or not other moneys are available for such payment.

Any amounts on deposit in the Reserve Fund, including interest earnings, in excess of the Reserve Fund Requirement shall be transferred to the Bond Fund. Any surplus remaining in the Reserve Fund after the Bond has been paid may be used for any lawful purpose determined by the City.

SECTION 12. CONSTRUCTION FUND. The Commission shall establish a Construction Fund and shall deposit to the credit of such Fund the proceeds of the Bond as set forth in Section 9 hereof.

As bond proceeds are needed for Project costs, the City shall submit requests in accordance with Section 2.02 of the Loan Agreement. Loan advances shall be recorded on the grid on the back of the Bond. Monies in the Construction Fund from such proceeds and earnings shall be used for payment of the cost of the Project and costs of issuance of the Bond to include reimbursement to the City for advances made for such costs or to refund amounts borrowed for the Project, and for no other purpose.

Moneys in the Construction Fund shall be deposited with a qualified depository and any deposits in excess of the amount insured or guaranteed by the Federal Deposit Insurance Corporation or the National Credit Union Administration shall be collateralized in accordance with Section 21-04-09 of the North Dakota Century Code. Moneys in the Construction Fund shall be subject to withdrawal from time to time by the President and City Administrator for the purposes set forth above.

Moneys in the Construction Fund may be invested in such investments as are authorized by law for the City. Earnings from investment of the funds in the Construction Fund shall remain in the Construction Fund and shall be treated and disbursed as Bond proceeds. Any proceeds of the Bond and any interest earnings thereon remaining in the Construction Fund after payment of all outstanding interim indebtedness, costs of the project, reimbursement of prior expenditures and issuance costs shall be transferred to the Bond Fund.

SECTION 13. RATE COVENANT. The City covenants that it will charge fees in connection with the operation of the Facilities which, together with the Pledged Revenues, are projected to generate at least equal to 1.10 times the annual debt service on all outstanding Bond and Parity Bonds. If the Pledged Revenues fail to meet this level, the City shall promptly increase its fees to a level, or appropriate Pledged Revenues which are projected to meet the required level.

SECTION 14. GENERAL COVENANTS. The City hereby covenants and agrees with the owners of all outstanding Bond as follows:

(a) That it will, to the extent the Pledged Revenues are sufficient, promptly cause the principal and interest on the Bond to be paid as they become due.

(b) That it will levy and collect the Pledged Revenues herein appropriated for the payment of the Bond.

(c) That it will take such action as may be required, to the extent of applicable laws and regulations, to receive and continue to receive distributions from the State Treasurer of the Oil and Gas Gross Production Tax.

(d) That it will, fully and properly perform each and all of the duties prescribed by the N.D.C.C., the City's Home Rule Charter and City Code, and applicable Ordinances of the City.

(e) That it will maintain complete books and records relating to the Pledged Revenues, the operation of the Facilities, the Construction Fund, the Bond Fund and the Reserve Fund and will cause such books and records to be audited annually at the end of each fiscal year in accordance with Generally Accepted Accounting Standards. The audit report shall be made available to the purchaser of the Bond upon request.

(f) That it will not issue bonds or other obligations having a claim equal or superior to the claim of the Bond upon the Pledged Sales Tax other than as provided herein.

SECTION 15. REGISTRATION AND TRANSFER. The Bond is transferable upon the books of and at the principal office of the Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange the City will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange. No transfer of Bonds shall be required to be made during the fifteen days next preceding an interest payment date, nor during the forty-five days next preceding the date fixed for redemption of such Bonds.

The Bond shall be registered as to both principal and interest and the Registrar shall establish and maintain a register for the purposes of recording the names and addresses of the registered owners or assigns, the dates of such registration and the due dates and amounts for payment of principal and interest on the Bond; and the City and the Registrar may deem and treat the person in whose name any Bond is registered as the absolute owner thereof, whether the Bond is overdue or not, for the purpose

of receiving payment and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

SECTION 16. PARITY BONDS. The City may issue Parity Bonds to provide funds to finance the acquisition, construction and equipping of Facilities, the repair and improvement of Facilities, or the refunding of outstanding bonds, or for other authorized purposes of the Pledged Sales Tax, upon the following conditions:

- (a) No Default has occurred and is continuing;
- (b) At the time of the issuance of the Parity Bonds there is no deficiency in the Bond Fund or the Reserve Fund; and
- (c) Pledged Sales Tax collected during the fiscal year preceding the year in which the proposed Parity Bonds are to be issued and other funds irrevocably appropriated for the purpose were not less than 1.10 times the average annual principal and interest requirements (including principal and interest on the proposed Parity Bonds) for any future fiscal year during which bonds are outstanding; or the estimated Pledged Sales Tax for each of the next three (3) fiscal years will be at least equal to 1.10 times the average annual debt service on all outstanding bonds (including the proposed Parity Bonds) for any future year during which bonds are outstanding.

All Parity Bonds issued in accordance with this Section shall have a lien on the Pledged Sales Tax which is equal to the lien of the Bond and all Parity Bonds issued in accordance with this Section. Nothing in this Resolution shall preclude the City from issuing subordinate lien bonds or from providing payments on other obligations which are expressly made a charge on only the surplus Pledged Sales Tax subordinate to the pledge of Pledged Sales Tax to the Bond authorized hereunder. Notwithstanding the foregoing, the City may issue Parity Bonds with the written consent of the owners of all of the outstanding principal of the Bond.

SECTION 17. DEFAULT AND REMEDIES.

- (a) The following events shall constitute Default:
 - (i) failure to pay Bond principal or interest when due; or
 - (ii) failure to perform any other obligation of the City imposed by the Resolution or the Bond, but only if:
 - (A) the failure continues for a period of more than ninety (90) days after demand has been made on the City to remedy the failure, and
 - (B) the City fails to take reasonable steps to remedy the failure within that ninety-day period; provided, however, that if a remedy or Default in this Section contradicts any provision in the Loan Agreement the provision in the Loan Agreement shall prevail; or

(iii) imposition of a receivership upon the City; or

(iv) written admission by the City that the City is unable to pay its debts as they become due.

(b) Upon Default, any Bondholder may exercise any remedy available at law or in equity.

A right or remedy conferred by this Section upon any bondholder is not intended to be exclusive of any other right or remedy, but each such right or remedy is cumulative and in addition to every other right or remedy and may be exercised without exhausting and without regard to any other remedy conferred by this chapter or by any other law of the State.

SECTION 18. INSURANCE AND FIDELITY BOND. The City covenants to maintain insurance appropriate to the risks associated with operation of its Facilities and pursuant to the terms of the Loan Agreement.

SECTION 19. LEASES. The City may lease as lessor or make contracts or grant licenses for the operation of, or grant easements or other rights with respect to any part of the Facilities if such lease, contract, license, easement or right does not, in the opinion of the City, impede the operation of the Facilities, or violate any term or condition of the Loan Agreement, and in the opinion of the City's bond counsel and the NDPFA's counsel, does not affect the tax-exempt status of the Bond.

SECTION 20. AMENDMENT OF RESOLUTION. This Resolution may not be amended without the consent of the Bondholders.

SECTION 21. DISCHARGE. When the Bond, and the interest thereon, have been discharged as provided in this Section, all pledges, covenants and other rights granted by this Resolution shall cease. The City may discharge the Bond due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond or interest thereon should not be paid when due, the same may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The City may also discharge all prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of the redemption thereof has been duly given as provided herein. The City may also discharge all or part of the Bonds at any time by irrevocably depositing in escrow with a suitable bank or trust company for the purpose of paying all or part of the principal and interest due on such Bonds prior to the date upon which the same will be prepayable according to their terms, and paying such Bonds on that date, a sum of cash and securities which are general obligations of the United States or securities the principal and interest payments on which are guaranteed by the United States, or deposits in the Bank of North Dakota which, as provided by N.D.C.C. Section 6-09-10, are guaranteed by the state, in such aggregate amount, bearing interest at such rates and maturing or callable at the holder's option on such dates as shall be required to provide funds sufficient for this purpose; provided that notice of the redemption of all prepayable Bonds on or before such date has been duly given as required herein.

SECTION 22. OTHER DOCUMENTS AND PROCEEDINGS. The officers of the City are hereby authorized and directed to execute and carry out or cause to be carried out the obligations which are necessary or advisable in connection with this Resolution and the issuance, sale and delivery of the Bond. The officers of the City are further authorized and directed to prepare, execute and furnish to the attorneys passing on the legality of the Bond, certified copies of all proceedings, ordinances, resolutions and records and all such certificates and affidavits and other instruments as may be required to evidence the legality and marketability of the Bond, and all certified copies, certificates, affidavits and other instruments so furnished shall constitute representations of the City as to the correctness of all facts stated or recited therein. Delivery of the Bond is subject to the approving opinion of bond counsel and customary closing certificates, including a certificate as to absence of material litigation and an arbitrage certificate

SECTION 23. LOAN AGREEMENT. The Loan Agreement, in substantially the form presented to the City at this meeting, is hereby accepted and authorized to be executed on behalf of the City by its President of the Commission and City Administrator (the "Authorized Officers"), with such modifications as may be approved by the Authorized Officers. The Authorized Officers are authorized and directed to execute the Loan Agreement and to deliver it to the NDPFA, which execution and delivery shall be conclusive evidence of the approval of any modifications with respect to the Loan Agreement. The City shall provide audited financial statements as set out in Section 3.01(f) of the Loan Agreement.

SECTION 24. LOAN FORGIVENESS. During the pendency of the Loan, the City may be offered a certain amount of loan forgiveness by the Department and the NDPFA to reduce the principal amount loaned to the City. The City acknowledges that any such loan forgiveness would be made available by the Department and the NDPFA in connection with receiving and administering federal Capitalization Grants under the State Revolving Fund Program. The City agrees to accept any such loan forgiveness offered to it in connection with the Loan Agreement without any further action.

SECTION 25. TAX COVENANTS. The City covenants that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bond under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). The City will not directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the City or take or omit to take any action that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code. To that end, the City will comply with all requirements of Section 148 of the Code and any applicable regulations to the extent applicable to the Bond. In the event that any time the City is of the opinion that for purposes of this Section 25 it is necessary to restrict or limit the yield on the investment of any moneys held in the Bond Fund, the Construction Fund or the Reserve Fund, the City shall take such action as may be necessary.

Without limiting the generality of the foregoing, the City agrees that there shall be paid from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the Bond from time to time. This covenant shall survive payment in full or defeasance of the Bond.

Notwithstanding any provision of this Section, if the City receives an opinion of nationally recognized bond counsel to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the

interest on the Bond pursuant to Section 103 of the Code, the City may rely conclusively on such opinion in complying with the provisions hereof.

The City covenants and agrees that not in excess of ten percent (10%) of the proceeds of the Bonds will be used (directly or indirectly) in a trade or business carried on by any person other than a governmental unit ("Private Business Use") if, in addition, the payment of more than ten percent (10%) of the principal or ten percent (10%) of the interest due on the Bond during the term thereof is, under the terms of the Bond or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for Private Business Use or in payments in respect of property used or to be used for Private Business Use or is to be derived from payments in respect of property or borrowed money used or to be used for Private Business Use. Use of the Facilities by a trade or business on the same basis as the general public is not Private Business Use.

SECTION 26. QUALIFIED TAX-EXEMPT OBLIGATION. The City hereby designates the Bond as a "qualified tax-exempt obligation" under Section 265 of the Code relating to the deduction allowed financial institutions for interest expense allocable to tax-exempt interest. The City represents that: (i) the Bond is not private activity bonds under the private activity bond definition in the Code; (ii) the reasonably anticipated amount of qualified tax-exempt obligations (other than private activity bonds except for "qualified 501(c)(3) bonds" as defined in the Code) which will be issued during 2025 will not exceed \$10,000,000; and (iii) not more than \$10,000,000 of qualified tax-exempt obligations will be designated by the City (including any subordinate entities) for the calendar year 2025.

SECTION 27. [RESERVED].

SECTION 28. BUY AMERICAN REQUIREMENT. The City shall comply with all federal requirements applicable to the loan (including those imposed by the 2014 Appropriations Act, Public Law No. 113-76 and related SRF regulations and policy guidelines) which the City understands includes, among other, requirements that all of the iron and steel products used in the Project are to be produced in the United States (the "American Iron and Steel Requirement") unless (i) the City has requested and obtained a waiver from the Department pertaining to the Project or (ii) the Department or NDPFA has otherwise advised the City in writing that the American Iron and Steel Requirement is not applicable to the Project.

SECTION 29. DAVIS BACON AND RELATED ACTS. The City shall, to the extent applicable to the Loan or any related grant, comply with the Davis Bacon and Related Acts requirements (40 U.S.C. 3141, et seq.).

SECTION 30. LOBBYING AND LITIGATION. The City shall comply with Title 40 CFR Part 34, New Restrictions on Lobbying pursuant to Section 2 of the Certificate Relating to Lobbying and Litigation as executed by the Authorized Officers.

SECTION 31. RECORD AND REPORTING REQUIREMENTS. The City shall comply with all record keeping and reporting requirements under the Clean Water Act/Safe Drinking Water Act, including any reports required by a Federal agency, the Department or the NDPFA such as performance indicators of program deliverables, information on costs and project progress. The City understands that (i) each contract and subcontract related to the project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Clean Water Act/Safe Drinking Water Act and the

American Iron and Steel Requirement may be a default hereunder that results in a repayment of the loan in advance of the maturity of the Bond and/or other remedial actions.

SECTION 32. CERTIFICATES. The President and City Administrator, in consultation with counsel, are hereby authorized to deliver a Certificate which cures ambiguities, defects or omissions herein, corrects, amends or supplements any provision herein, all in furtherance of the financing contemplated herein, including adjustments to the amortization schedule and payment dates.

SECTION 33. ELECTRONIC SIGNATURES. The Commission authorizes the President and the City Administrator to execute documents relating to the issuance of the Bond using electronic signatures. The electronic signatures of the President and the City Administrator shall be as valid as an original signature of such official and shall be effective to bind such official to any document relating to the issuance of the Bond. For purposes hereof, "electronic signature" means a manually signed original signature that is then transmitted by electronic means.
