Applicants are required to furnish information which can be scanned in and placed on the City's IMS (Internet Mapping Server) program located at www.deadwoodims.com or the City of Deadwood's webpage www.cityofdeadwood.com

STIPULATIONS OF THE HEADSTONE GRANT PROGRAM

The program is designed for one name per cemetery monument. For any additional names, separate applications will need to be filled out and submitted separately to the Historic Preservation Office. Due to cost and significant amount of unmarked graves in the historic Deadwood cemeteries, burials which pre-date the year 1950 are eligible for the program. Nominations which post-date the year 1950 may be eligible under the review and recommendations of the Cemetery Committee.

Successful applicants will receive a formal letter from the Deadwood Historic Preservation Office indicating the admission into the program.

STONE REQUIREMENTS:
