Case No. 210239
Address: 2 John St.

Staff Report

The applicant has submitted an application for Project Approval for work at 2 John St., a non-contributing structure located in the Highland Park Planning Unit in the City of Deadwood.

Applicant: Deonne Tusha
Owner: TUSHA, DEONNE
Constructed: 1954

CRITERIA FOR THE ISSUANCE OF A PROJECT APPROVAL

The Historic Preservation Commission shall use the following criteria in granting or denying the Project Approval:

General Factors:

1. Historic significance of the resource:

This is a modern ranch-style house. Because the house is outside the period of significance, it cannot contribute to the Deadwood National Historic Landmark District at this time.

2. Architectural design of the resource and proposed alterations:

The applicant is requesting permission to repair the foundation which is cracked and bowing on the interior. It is a crawl space and affecting sheetrock and flooring in the home.

Attachments: No

Plans: No

Photos: Yes

Staff Opinion:

The proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the character of the building or the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District.

Motions available for commission action:

A: If you, as a commissioner, have determined the Project DOES NOT Encroach Upon, Damage or Destroy a historic property then:

Based upon all the evidence presented, I find that this project **DOES NOT** encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places, and therefore move to grant a project approval.

If you, as a commissioner, have determined the Project will Encroach Upon, Damage or Destroy a historic property then:

B: First Motion:

Based upon all the evidence presented, I move to make a finding that this project **DOES** encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places. [If this, move on to 2nd Motion and choose an option.]

C: Second Motion:

Option 1: Based upon the guidance in the U.S. Department of the Interior standards for historic preservation, restoration, and rehabilitation projects adopted by rules promulgated pursuant to SDCL 1-19A & 1-19B, *et seq*, I find that the project is **NOT ADVERSE** to Deadwood and move to **APPROVE** the project as presented.
