

PLANNED UNIT DEVELOPMENT (PUD)
AMENDMENT

the RIDGE Development, Deadwood, SD

Applicant/Developer/Owner: Preacher Smith, LLC / TRD, LLC
- Randy and Cheri Horner
16 Peck Street, Deadwood, SD 57732

Project Agent: Leah M. Berg, P.E.
LBerg@proacesinc.com Cell: 605-545-1120

Legal Description: Remainder of Preacher Smith Tract (Less Lot A of the Ridge Development); Lots 1 & 2, Block 1B of the Ridge Development and Block 1 and Block 1A of the Ridge Development, City of Deadwood, Lawrence County, South Dakota.

Other: Economic Development TIF District #14
Development Agreement
Existing PUD Boundary and Map (*attached*)

1. Objectives:

- Amend the existing PUD map and area designations following Ordinance Revisions adopted by the City of Deadwood.
- Ensure that the PUD boundary zoning designations fit the unique development of the RIDGE. Unlike other developments the RIDGE has a designated commercial area along Preacher Smith Drive in Phase 1A. The Lot layout is attached for reference. The intent of this commercial area is to be used for standard and anticipated Commercial Highway uses. One example would be a gas station along Highway 85 frontage.
- The PUD boundary includes the entire development of the RIDGE. The main reason this has been done is so that all areas and phases can be zoned and designated at the beginning of the project. This is how the PUD boundary and current approved zoning map was presented and processed in February 2023. The short-term rental areas have been

established for the entire PUD Boundary to ensure lot use and intent is transparent to the City and potential property owners.

2. Covenants and HOA:

- the RIDGE Development will include covenants and an HOA.
 - The current covenants are in final form but will be recorded following the establishment of the Amended PUD.
 - This will allow legal comments and requests from the City to be incorporated.
- The covenants are legally connected to each lot sold within the development and the HOA is in place to help enforce the established covenants.
- The HOA will be a nonprofit corporation that will file Articles of Incorporation and have by-laws once there is a board of 3 available within the development.

3. City of Deadwood Existing and Proposed Zoning Districts included within the PUD Boundary:

- PUD map included in attachments
- The proposed districts & areas are as follows:
 - A. **R1 – Residential District**
 - B. **R2 – Multi-Family Residential District**
 - C. **CH – Commercial Highway District**
 - **Commercial Highway District – Limited Use by Covenants are designated on the map for clarification of where short-term rental eligible lots are located.**
- The only revisions are within two (2) areas that are currently designated as the R2 Zoning district within Block 1 and 1B. Both areas are currently adjacent to CH – Commercial Highway District zoned Lots.
- Therefore, 10% of the allowable Lots under Deadwood City Ordinances would be limited to 10% or 30 Lots. The use of these Lots eligible as Vacation Home Establishments would be restricted under section IV Project Development Requirements of the Covenants and Restrictions, title Short Term Rentals / Vacation Rentals by Owner (VRBO) above and beyond the City Ordinances.
 - A. Based on City of Deadwood Ordinance 17.53.040: B.
 - B. The Intended use of The Covenants and section Short Term Rentals / Vacation Rentals by Owner (VRBO) is to limit the “Short-Term Rentals” as defined under Title 17 of the Deadwood Ordinances.

- C. The section of Short Term Rentals / Vacation Rentals by Owner (VRBO) has the limitation of residential use of single or multi-family (R2 District) with the eligibility of “Short-Term Rentals” should the property owner receive a Conditional Use Permit from the City of Deadwood.
- D. The limitations/restrictions are detailed within the Covenants (attached).
- E. The areas selected have been clustered together to meet Ordinance.

Completion

Once a lot is purchased the owner has 24 months to commence construction. Once construction has commenced all work must proceed continuously and must be fully completed in 12 months unless written approval of an extension has been granted by the Declarant/ARC/HOA.

Right of First Refusal

During the ROFR Period (defined below), Declarant reserves a first right of refusal to repurchase any Lot subject to these Covenants in the event the Owner of that Lot receives a bona fide offer to purchase which the Owner intends to accept. In that event, the Owner shall provide Declarant with a copy of such bona fide offer, and shall grant to Declarant the right to exercise this right of first refusal to purchase the Lot subject to the bona fide offer for a period of thirty (30) days following Declarant's receipt of a copy of the bona fide offer (such period, the "ROFR Election Period"). At any time within the ROFR Election Period, Declarant may elect to repurchase the Lot on the same terms and conditions as set forth in the bona fide offer. Any election by Declarant to repurchase the Lot shall be set forth in a written notice provided to the Owner prior to the expiration of the ROFR Election Period (such written notice, an "Election Notice"). Upon the exercise of this right of first refusal, the closing for the sale and repurchase of the Lot shall occur not later than thirty (30) days following the date the Owner receives the Election Notice unless the bona fide offer provides for a different closing date. In the event Declarant shall fail to elect to repurchase the Lot subject to the bona fide offer prior to the expiration of the ROFR Election Period, the right of first refusal granted to Declarant as to the Lot in question shall lapse and be null and void, and the Owner, and all successors and assigns of the Owner shall be free to sell that Lot without any further restriction of the right of first refusal in favor of Declarant. Any failure of the part of Declarant to exercise the right of first refusal granted herein shall not, however, excuse the Owner from again extending the right of first refusal to Declarant if the sale to the buyer making the bona fide offer is not completed or if the Owner and the buyer making the bona fide offer agree to sell the Lot on terms and conditions which differ materially from those contained in the bona fide offer. In such event, the Owner shall be required to provide Declarant with a copy of any new bona fide offer or such different terms and conditions between the Owner and the buyer that made the bona fide offer and Declarant shall be granted a right of first refusal to purchase the Lot on such different terms and conditions in accordance with this paragraph. The right of first refusal provided for in this paragraph applies to each Lot sold by Developer to an Owner beginning on the date of the recording of the deed for the conveyance of the Lot in question and expiring eighteen (18) months after the recording of such deed (or, if a ROFR Election Period extends

past such eighteen (18) month period, then expiring at the end of that ROFR Election Period) (as applicable, the "ROFR Period") without the need for any party to take any further action or record any further document. All references to "the Owner" in this paragraph mean only the first Owner that receives a deed for the Lot in question from Declarant and not any subsequent Owner of that Lot. Notwithstanding anything in this paragraph to the contrary, the term "bona fide offer" as used in this paragraph includes a transfer of a Lot for no or nominal consideration (unless Declarant waives its right of first refusal as to that transfer in writing) in which event (a) the right of first refusal shall continue to be applicable as to any subsequent transfer of the Lot in question during the ROFR Period, but (b) the beginning of the ROFR Period shall continue to be measured from the recording of the first deed from Declarant to the first the Owner of that Lot.

Plan Approval

- Improvements: Prior to the construction on any Lot, a set of building plans along with a five-hundred-dollar (\$250) review fee shall be submitted by the Lot Owner to the Declarant for approval.
- Said building plans shall be signed and certified by the Lot Owner as a true and correct copy of the building plans for the structure(s) to be constructed on such Lot and contain a statement that the Lot Owner will submit to the Declarant, for written approval, any amendments, modifications, or changes to such building plans.
- Such building plans shall show the size, exterior material, design, and plot plan for the residence to be constructed on such Lot and shall indicate the location of the structure, attached or detached garage and any other structures to be placed or constructed on such Lot.
- Such plans shall also include erosion control measures which will contain erosion of soil on the Lot during construction.
- One set of such building plans, and all amendments, modifications, and changes thereto, signed by the Lot Owner shall be left on permanent file with the Declarant.
- Declarant shall have the right to request the Lot Owner provide samples of the Lot Owner's proposed exterior materials.

ARTICLE VIII:

MAINTENANCE AND ASSESSMENTS

Creation of the Lien and Personal Obligation of Assessments

Each Owner of any Lot by acceptance of a deed or conveyance thereto, whether or not it shall be so expressed in such deed or conveyance, covenants, and agrees:

- 1) to pay to the Association general and special Assessments, to be established and collected as hereinafter provided; and
- 2) to allow the Association to enforce any Assessment lien established hereunder by non-judicial proceedings under a power of sale or by any other means authorized by law.

The general and special Assessments, together with interest, late charges, collection costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such Assessment is made, the lien to become effective upon recordation of a notice of delinquent Assessment. Each such Assessment, together with interest, late charges, collection costs, and reasonable attorneys' fees, shall also be the personal obligation (joint and several) of each Person who was the Owner of such property at the time when the Assessment fell due.

Purpose of Assessments

The Assessments levied by the Association shall be used to pay expenses, to promote the economic interests, recreation, health, safety, and welfare of Owners in the Project, and to enable the Association to perform its obligations hereunder.

Assessments:

- A. General Assessments: The Board shall annually establish and levy general Assessments in an amount that the Board estimates will be sufficient to raise the funds needed to pay expenses and perform the duties of the Association during each fiscal year. The general Assessments shall include a portion for reserves in such amounts as the Board in its discretion considers appropriate to meet the costs of the future repair, replacement or additions to the major improvements and fixtures that the Association is obligated to maintain and repair. Reserve funds shall be deposited in a separate account and the signatures of at least two (2) Persons, who shall either be Members of the Board or one officer who is not a Member of the Board and one Member of the Board, shall be required to withdraw monies from the reserve account. Except to the limited extent otherwise provided herein, reserve funds may not be expended for any purpose other than repairing, restoring, maintaining, or replacing the major components that the

Association is obligated to maintain without the consent of Owners holding a majority of the voting power either at a duly held meeting or by written ballot.

- B. **Special Assessments:** The Board may at any time levy a special assessment in order to raise funds for unexpected operating or other costs, insufficient operating or reserve funds, or such other purposes as the Board in its discretion considers appropriate. Special Assessments shall be allocated among the Lots in the same manner as general Assessments, except in the case of an Assessment levied by the Board against a Member to reimburse the Association for costs incurred in bringing the Member and his Lot into compliance with provisions of the Project Documents.

Restrictions on Increases in General and Special Assessments

The Board may not impose a general Assessment on any Lot which is more than twenty percent (20%) greater than the general Assessment for the immediate preceding fiscal year, or levy a special Assessment to defray the cost of any action or undertaking on behalf of the Association which in the aggregate exceeds ten percent (10%) of the budgeted gross expenses of the Association for that fiscal year, without the vote or written assent of Members casting a majority of the votes at a meeting of the Association at which a quorum is present. Any meeting of the Association for purposes of complying shall be conducted in accordance with the South Dakota Non-Profit Corporation Act. The Board may increase general Assessments by more than twenty percent (20%) over the general Assessment for the immediately preceding fiscal year only if the Board has complied with the provisions set forth in the Bylaws and this Declaration.

Notwithstanding the foregoing, the Board, without Membership approval, may increase general Assessments or levy special Assessments necessary for an emergency. For purposes of this section, an emergency situation is one of the following:

- 1) an extraordinary expense required by an order of a court.
- 2) an extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible where a threat to personal safety on the Project is discovered; or
- 3) an extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible that could not have been reasonably foreseen by the Board in preparing and distributing the pro forma operating budget, provided, however that prior to the imposition or collection of the Assessment, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process and the resolution shall be distributed to the Members with the notice off the Assessment.

Notice and Quorum for Action Authorized

Any action authorized which requires a vote of the Membership, shall be taken at a meeting called for that purpose, written notice of which shall be sent to all Members no less than ten (10) days, no more than sixty (60) days in advance of the meeting, specifying the place, day, and hour of the meeting and, in the case of a special meeting, the nature of the business to be undertaken. The action may also be taken without a meeting pursuant to the provisions of the Bylaws.

Date of Commencement of General Assessment Due Dates

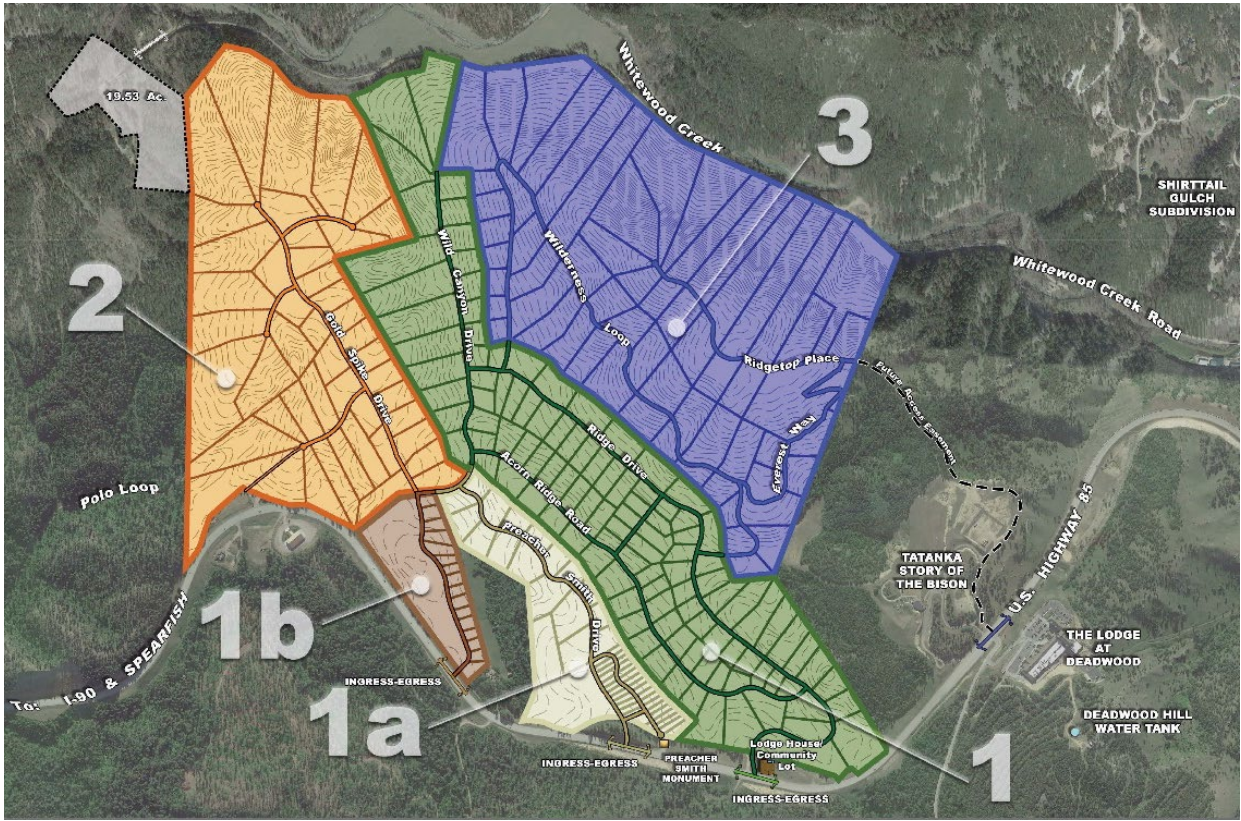

The General Assessments provided for herein shall commence as to each Lot on the first day of the month following the conveyance from Declarant of the Lot to an Owner. However, in no case shall any Lot owned by the Declarant be subject to any assessment, whether General Assessment or Special Assessment, at any time while owned by Declarant. As Lots in each phase become subject to Assessments, the Board shall determine whether the amount of general Assessments payable by all Owners will change and, if so, the amount of such change, and the Board shall then send out revised Assessment notices as appropriate. The Board of Directors shall use its best efforts to fix the amount of the general Assessments against each Lot and send written notice thereof to every Owner at least forty-five (45) days in advance of each fiscal year, provided that failure to comply with the foregoing shall not affect the validity of any Assessment levied by the Board. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association stating whether the Assessments on a specified Lot have been paid. Such a certificate shall be conclusive evidence of such payment.

Effect of Nonpayment of Assessments

- Any Assessment not paid within fifteen (15) days after the due date shall be delinquent, shall bear interest at the rate of ten percent (10%) per annum from thirty (30) days after the due date until paid, and shall incur a late payment penalty in an amount to be set by the Board from time to time, such interest, and penalties not to exceed the maximum permitted under South Dakota law.
- Board has the ability to file a lien if general Assessment is not collected within sixty (60) days after the due date. Property will not be sold or transferred until fees on Assessment Lien have been paid in full
