**Return Policy:** Product(s) sold with limited product warranty, standard return policy (shown here), and (when eligible) a conditional AttachMatch money-back guarantee. Review Details: <https://www.abiattachments.com/abi-company/policies/return-policy/> ABI's Standard 30-Day Return Policy: ABI will consider a refund on returns initiated within thirty (30) days of delivery of UNUSED products. ABI encourages customers to use caution when placing an order, as once shipped, the item may only be returned or exchanged if ABI expressly consents. Refunds are for the product's purchase price only; shipping and handling charges are not refundable. The customer is responsible for all shipping expenses associated with the transaction; these expenses include those incurred to deliver the product to the customer by ABI and shipping expenses incurred to return the product to ABI from the customer. If the product(s) has been used or otherwise reduced in resale value, up to a twenty-five percent (25%) restocking fee may be applied to items returned. If the customer utilized financing or otherwise has not paid ABI monies sufficient enough to cover the aforementioned expenses, the customer will be asked to pay these expenses before a return will be issued. When the purchaser receives the product(s), please keep the shipping pallet and packing material, as it will be required to return the product. Refunds are not made until all products are returned to ABI's possession. The customer shall not be responsible for damage caused by the shipping company delivering the product, provided such damage is noted on the delivery receipt at the time of delivery, or the shipment is refused. Applicable warranties cover defects in material and workmanship. ABI retains the exclusive and sole right to determine if an item is eligible for a return, exchange, or cancellation once shipped. ABI must approve in writing to obtain a return, refund, or exchange.

**Critical Delivery Responsibilities:**

If your order is not a parcel being shipped via UPS or FedEx, please consider the following to avoid additional charges. **Critical Inspection Process:** Upon delivery, you will need to thoroughly inspect your purchase for any damages or shortages. ABI nor the carrier will be responsible for damages or shortages if they are not indicated on the delivery document the driver asks you to sign. **Unloading The Truck:** Most ABI equipment requires the assistance of a forklift, tractor with front-end loader, or a lift gate to offload. We have already discussed an offloading plan with you and ordered the freight accessorials listed above at your direction. If this offloading plan is not clear to you, please contact us immediately. **Terminal Or Customer Pick Up:** If selected, the carrier or ABI will contact you with additional instructions when the unit is available for pickup.
