DESCRIPTION OF ACTIVITY

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

Our main goals with this house are to provide more curb appeal and functionality, by re-roofing, siding, fixing the deck, and structural cement work on the steps leading to the house. Additionally on the interior, we wish to replace all windows, storm door, get the plumbing functioning and up to code and renovate the kitchen and bedrooms eventually.
