MEMORANDUM

Date: September 18, 2026
To: Deadwood City Commission
From: Jeramy Russell – Recreation & Aquatic Center Manager
Re: Request to Surplus Body Solid Hack Squat

I am requesting approval to declare one Body-Solid Hack Squat Machine as surplus property for the City of Deadwood.

Although the machine remains operational, it has experienced significant wear and deterioration over the years, raising safety concerns regarding its continued use. In the best interest of the safety of our members and the ongoing operations of the Deadwood Recreation & Aquatic Center (DRAC), we recommend removing the machine from service and offering it for sale through a public auction.

The DRAC's new hack squat machine arrived last week, and the removal of the existing equipment will allow us to clear the necessary space and accommodate the new machine.

Thank you for your consideration of this request.
