OTHER – Describe in detail below or use attachments

DESCRIPTION OF ACTIVITY

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

SIX changes proposed in total. First, I'd like to switch the position of my stairs to the center of the porch shifting the existing ballusters and banisters to the right hand side of the porch, in front of the front door.
I'd further like to create new stairs from concrete with brick veneer in a fan like build. The bottom step expanding slightly past the ballusters and becoming more narrow as each step reaches the porch. Second
I'd like to add two exterior light scones on either side of the middle window on the porch. Third, adding a
mail slot in the front door. Fourth, put a new transom window above front door-stained glass w a 37 on it.

Fifth, Replace broken gable trim with new gable trim. Sixth, secondfloor facade siding replaced w fishsca

SIGNATURES

I HEREBY CERTIFY I understand this application will not be accepted and processed until all the requested information has been supplied. I realize drawings and measurements must be exact and if errors result in a violation of the Commission's approval, then appropriate changes will have to be made. I also understand this application may require a site visit / additional research by staff and a PUBLIC HEARING by the DEADWOOD HISTORIC PRESERVATION COMMISSION.

I understand this application is for a Certificate of Appropriateness or Project Approval only and that a building permit is required for any uses associated with this location prior to any constructions, alterations, etc. All statements are true to the best of my knowledge and belief.

I understand approval is issued for proposed work in keeping with City of Deadwood Ordinances, South Dakota State Administrative Rules and the Secretary of the Interior's Standards for Rehabilitation and copies are available for [REDACTED]

APPLICATION DEADLINE

This form and all supporting documentation **MUST** arrive by 5:00 p.m. on the 1st or 3rd Wednesday of every month to be considered at the next Historic Preservation Commission Meeting. The meeting schedule and filing deadlines are on file with the Historic Preservation Office. Any information not provided to staff in advance of the meeting will not be considered by the Commission during their deliberation. Please call if you have any questions and staff will assist you.

Please use the attached criteria checklist as a guide to completing the application. Incomplete applications cannot be reviewed and will be returned to you for more information. All submitted materials will be retained by the Historic Preservation Office. Do not submit your only copy of any piece of documentation.

The City of Deadwood Historic Preservation Office has numerous resources available for your assistance upon request.

Criteria Checklist for Project Approval OR Certificate of Appropriateness

SUBMITTAL CRITERIA CHECKLIST

The documentation listed below will assist in the submission of the application. ***Not all information listed below is required for each project. In order to save time and effort, please consult with the Historic Preservation Office prior to completing your application.***

ALL WORK:

- Photograph of house and existing conditions from all relevant sides.

RENOVATIONS AND ADDITIONS:

- Elevation and plan drawings to scale indicating proposed alterations or additions, clearly indicating the existing building and what is proposed and including the relationship to adjacent structures. Make sure to include door and window design if altered. Manufacturer's catalog data may be used, if applicable.
- Exterior material description.
- Site plan showing dimensions of lot and location of existing building(s) or structure(s) on lot, location of additions, dimensions of existing structure and additions. (Show use of addition and location of windows and doors if applicable.)
- Photograph of existing conditions from all elevations.
- Color samples and placement on the structure.
- Historic photographs should accompany any request to return a structure to an earlier historic appearance. (Please note our archives may be of great assistance)

MATERIAL CHANGES:

- Written description of area involved.
- Color photographs or slides of areas involved and surrounding structures if applicable.
- Sample or photo of materials involved.

PAINTING, SIDING:

- Color photographs of all areas involved and surrounding structures if applicable.
- Samples of colors and/or materials to be used.
- Dimensioned elevation and section to scale, showing design of fence, material, and height in relationship to adjacent structures.

NEW CONSTRUCTION:

- Elevation drawings to scale showing all sides and dimensions. Elevation drawings to scale showing relationship to structures immediately adjacent.
- Photograph of proposed site and adjacent buildings on adjoining properties.
- Site plan including building footprint and location of off-street parking showing setbacks. Include number of spaces, surface material, screening and all other information required under Parking Areas.
- Material list including door and window styles, colors and texture samples.
- Scale model indicating significant detail. (This may be required for major construction. Please consult Historic Preservation Commission staff.)
- Color photographs of proposed site and structures within vicinity of new building.
