EXECUTIVE SECRETARY'S MESSAGE

This document reports gaming and racing activity for Fiscal Year 2023 (July 1, 2022, through June 30, 2023).

This report is divided into two sections. The first section deals with gaming revenue and activity related to casino gaming in Deadwood, South Dakota; and the second section relates to the pari-mutuel activity within South Dakota.

Gaming dollars spent and won by the general public and the collective gross revenue of all licensees are measured in this report. In comparing Fiscal Year 2022 to Fiscal Year 2023, the number of active retail licenses stayed the same. The number of licensed devices increased by 35. Fiscal Year 2023 showed an increase in total handle of 0.45% and an increase in adjusted gross revenue of 0.34% from Fiscal Year 2022.

The tax rate is defined by SDCL 42-7B-28 and 42-7B-28.1 and total 9% of the adjusted gross revenue. SDCL 42-7B-28.1, 42-7B-48, 42-7B-48.1, 42-7B-48.3 establish the distribution structure of these taxes collected. Per 42-7B-28.1, 1% of the adjusted gross revenue goes directly to the State General Fund. According to 42-7B-48, 40% of the tax is transferred to the Department of Tourism, 10% is paid to Lawrence County and the remaining 50% stays in the commission fund.

In addition, each device which includes both table games and slot machines is assessed an annual device fee of \$2,000.00 payable before July 1st of each year. These device fees, all licensing fees and all other miscellaneous revenue received by this office are deposited with the state treasury in the commission fund.

The administrative costs of the Commission on Gaming are paid from the commission fund and amounted to 10.45% of total revenue collected in Fiscal Year 2023. In addition, \$100,000 is distributed to the State Historical Preservation Loan and Grant fund and up to \$30,000 can be distributed to the Department of Social Services for Gambling Addiction Treatment and Counseling Program grants. All other revenues remaining in the commission fund are then paid to the City of Deadwood until such time as the net municipal proceeds paid to the City of Deadwood equal \$6,800,000 for each calendar year.

In Fiscal Year 2023, the net municipal proceeds paid to the City of Deadwood reached \$6,800,000 and in accordance with SDCL 42-7B-48.1, the distribution of funds in excess of this amount changed; 70% of the excess was transferred to the State's general fund, 10% was distributed to other municipalities in Lawrence County, pro rata according to population, 10% was distributed to school districts in Lawrence County, pro rata based upon the previous year's average daily membership and 10% to the City of Deadwood. Per 42-7B-48.2, the amount which is distributed to the school districts is offset by a dollar-for-dollar reduction in state aid which the district receives.

These distributions resulted in \$1,964,324.14 being deposited in the State's general fund, \$280,617.73 being distributed to the other municipalities and \$280,617.73 to the school districts as shown on page 3.

In addition, taxes collected per 42-7B-28.1 resulted in an additional \$1,352,222.31 being deposited in the State’s general fund.

The Commission on Gaming also regulates pari-mutuel wagering in South Dakota. This year Pari-mutuel horse racing had a fall meet in Fort Pierre, SD in October.

Simulcast wagering on horse and greyhound races was received throughout the year from out of state tracks. Revenue from pari-mutuel wagering activity is derived from a payment schedule prescribed by state law. The Commission as required by state law remits moneys received from pari-mutuel wagering back to the industry.

The Commission on Gaming recognizes the impact of gaming in Deadwood and the issues affecting pari-mutuel racing. The goals of the Commission are:

1. To safeguard that gaming and pari-mutuel is operated by suitable individuals; that it is conducted honestly, competitively, and free from criminal influence and activity.
2. To protect the health, safety, morals, and general welfare of the people of South Dakota and enforce the public policy as specified in SDCL 42-7B-2.1.
3. To ensure to the best of our abilities that gambling, and pari-mutuel industries are stable and successful, and that free competition is preserved.
