

MEMORANDUM

Date: April 29, 2021
To: Deadwood City Commission
From: Kevin Kuchenbecker, Historic Preservation Officer
Re: Utility Box Wraps

The Main Street Initiative Design Committee along with the Historic Preservation Commission is working in tandem on the overall beautification of Historic Main Street and the National Historic Landmark District. The next project the committee is working on is wrapping several more of the utility boxes around town.

The committee has selected the utility boxes at the Welcome Center, Mr. Woe's, VFW and the Adams Museum. The VFW and Adams Museum were previously approved in 2019 but not completed. Quik Signs has provided a quote in the amount of \$2,535.53 to wrap the boxes at the four locations.

The Historic Preservation Commission has reviewed this matter at their April 28, 2021 meeting and recommends engaging Quik Signs to fabricate and install utility wraps at a cost not to exceed \$2,535.53 to be paid out of the Public Ed and Advocacy funds.

Recommended Motion: *Move to engage Quik Signs to print and install four utility wraps at the Welcome Center, Mr. Woe's, VFW and the Adams Museum for a cost not to exceed \$2,535.53 to be paid out of the Public Education line item.*
