## **TEMPORARY CONSTRUCTION EASEMENT**

This **TEMPORARY CONSTRUCTION EASEMENT** is made and entered into by and between **DBUH, LLC** of 2510 31<sup>st</sup> Street, Yankton, South Dakota 57078, herein after referred to as “**GRANTOR**,” and **City of Deadwood**, a South Dakota municipality of 102 Sherman Street, Deadwood, South Dakota 57732, hereinafter referred to as “**GRANTEE**”.

The real estate subject to this Temporary Construction Easement is legally described as follows:

Lot R-6A a subdivision of Lot R-6 of the Deadwood Railroad Property, located in a portion of Lots 50, 51, 52 & 53, Block 30, Original Townsite and a portion of Outlots 1 & 2, City of Deadwood, located in the SE ¼ of Section 23, T5N, R3E, B.H.M., Lawrence County, South Dakota.

This easement shall include the right of ingress and egress over lands of Grantor to access the boundary of the property that faces Sherman Street; and the right to use so much of the adjoining premises of Grantor during the construction and installation of a fence along the border of the property, and storage of construction equipment as may be required to permit the operation of construction machinery and equipment. In exercising its rights of ingress or egress Grantee shall, whenever practicable, use existing roads or lanes and shall repair any damage caused by its use thereof and restore Grantor’s property to its original condition or better, as of the date of this document.

It is the intention of the parties hereto that Grantor is hereby conveying the uses herein specified without divesting themselves, their heirs or assigns, of the right to use and enjoy the above described premises: PROVIDED, however, such use shall not, in the judgment of said Grantee, interfere with or endanger the construction of the fence, and provided further that no structure shall be constructed on the easement without written permission from Grantee.

The foregoing right is granted upon the express condition that Grantee will assume liability for all damage to the hereinbefore described property caused by Grantee’s failure to use due care in its exercise of the granted right unless such damage is a result of structures being placed on the easement without Grantee’s permission.

The fence, once completed, shall be maintained and kept in good repair by Grantor, their heirs and assigns, at their sole labor and expense.

The right, privilege, and easement granted by this Temporary Construction Easement will expire upon completion and inspection of construction, and the performance of the City of

Deadwood as set out in this instrument, whichever is first.
