

MEMORANDUM

Date: August 14, 2025
To: City of Deadwood Commission
From: Deadwood Historic Preservation Commission
Re: **2025 Independent Contractor, GIS Mapping Project**

The Deadwood Historic Preservation Office is requesting permission to enter into a contract with Charles “Mike” Madler of Spearfish, South Dakota for professional services as related to the 150th Anniversary of Deadwood and Trails leading to and from Deadwood, South Dakota.

Under this agreement, Mr. Madler shall create and provide deliverables to include all drawings, reports, sketches, charts, and spreadsheets in electronic file format, including but not limited to map documents, project folders and filing structures, layers, shapefiles, geodatabases and associated metadata as related to historic routes connecting Deadwood. Funding for this project would come from the 2025 HPC Public Education budget.

RECOMMENDATION:

Allow the Historic Preservation Office to enter a contract with Charles “Micke” Madler of Spearfish, South Dakota for professional services as related to the City’s GIS and trails research. This contract will not exceed \$3,000.00 and will come from the 2025 HPC Public Education budget.
